USB Rubber Ducky

Reverse Shell in USB Rubber Ducky

Reverse Shell Using PowerShell

More Tricks Using PowerShell

Demo

Apache Web Server

Kali

Windows 7

Basics of USB Rubber Ducky

# USB Rubber Ducky

Size

Without the Cover

MicroSD

# USB Adapter

USB Adapter & MicroSD

Script Development

```
REM My First Payload
WINDOWS r
DELAY 100
STRING notepad.exe
ENTER
DELAY 200
STRING Hello World! I'm in your PC!
```
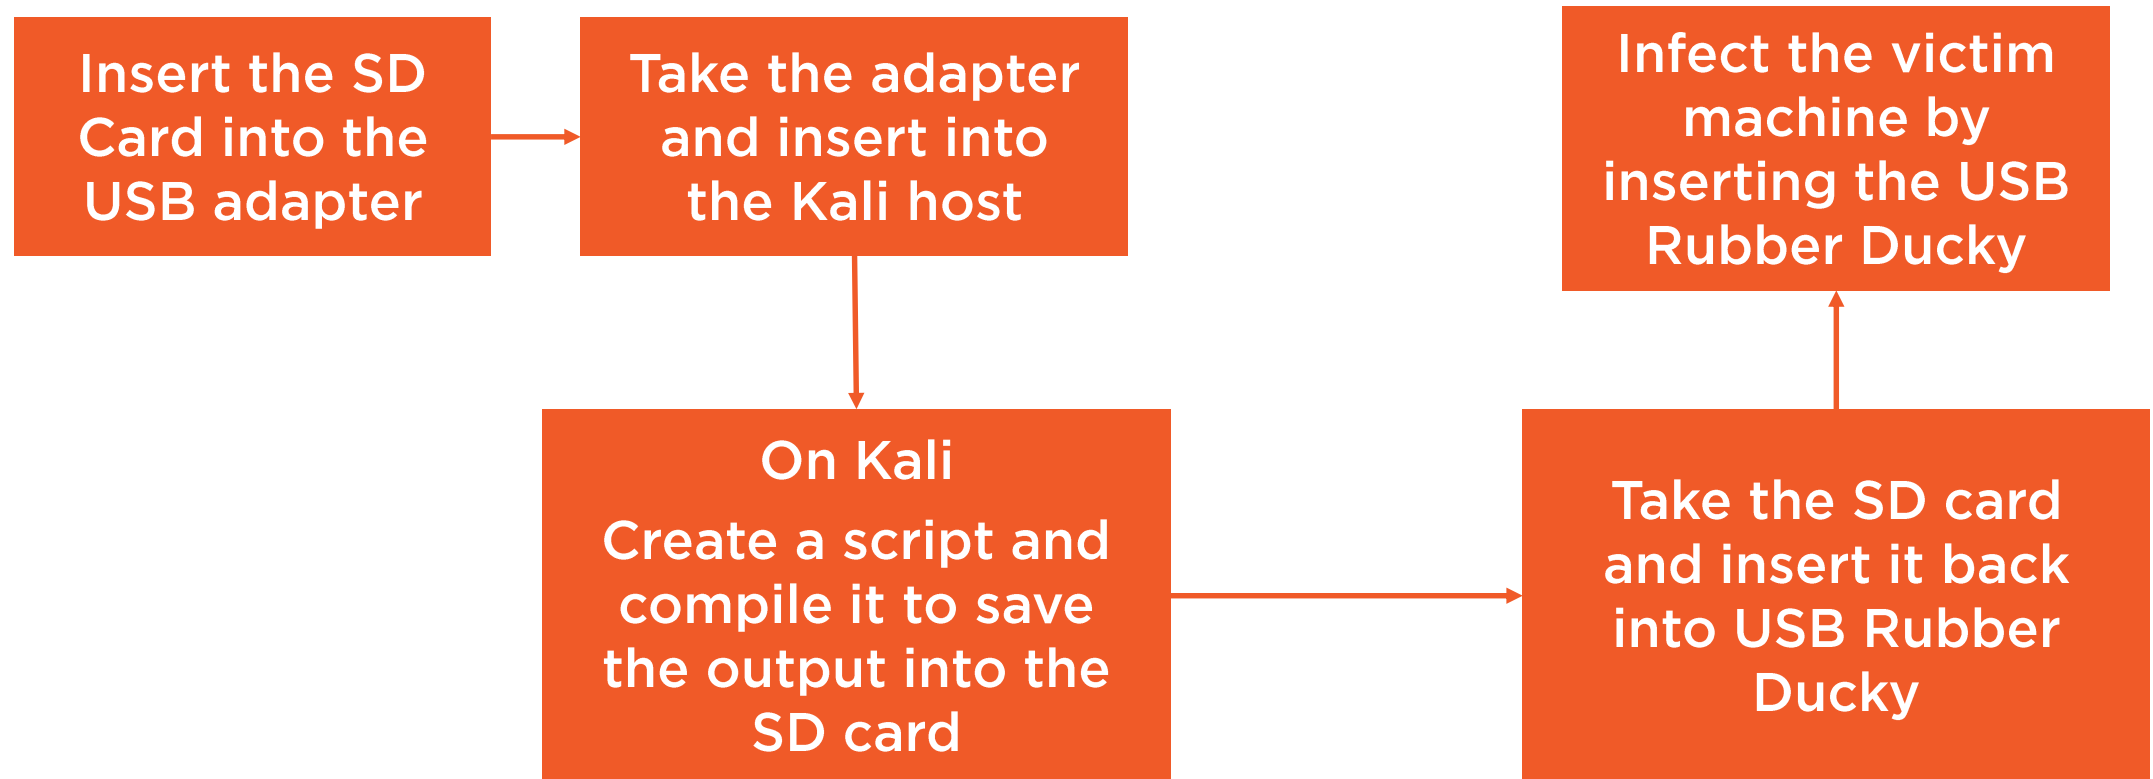

Insert SD Card

Infect the Victim

Workflow

Insert the SD Card into the USB adapter → Take the adapter and insert into the Kali host

On Kali

Create a script and compile it to save the output into the SD card → Take the SD card and insert it back into USB Rubber Ducky → Infect the victim machine by inserting the USB Rubber Ducky
